WE DESIGN **UNIVERSAL TECH PRODUCTS**

We are a German brand, designing und developing universal tech products across various categories, including smartphone accessories, charging, wireless charging, sound and backpacks.

We have chosen to embrace a universal approach for both its convenience to end users and also because we firmly believe it to be the most sustainable solution.

Our aim is to seamlessly combine functionality and design, creating a remarkable synergy that is truly unique.

Julian Thormählen, CEO

Vonmählen GmbH is GRS certified by Intertek - CMPV22894. The Global Recycled Standard (GRS) verifies recycled material and tracks it from the source to the final product.
